**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who uses Sonic, a competitive provider who has excellent customer service. I use competitive DSL to do work, educate my kids, and otherwise participate in the economy. This has only been possible with access to unbundled copper and inter-city fiber transport elements. Please preserve competition. It is one of the basic tenets of a capitalist economy.
